

# Case Log

Below is a list of cases you are required to see on your surgery clerkship. If you are unable to be involved with a listed case, you may watch the correlating WISEMD module. Please check off if you were directly involved in the case or watched the module and upload this case log to your Yale Box by the last day of the clerkship.

WISEMD can be accessed on the Yale Surgery Library Website: [CLICK HERE](#)

Case	OR Case	WisemD
------	---------	--------
